

The Science & Art of Homoeopathic Case Taking

Dr. Ashish Datta, MD(hom)

Dr. Ashish Datta, Asst Secretary, Central council of Homoeopathy is eminent physician and academician. He is dedicated and desirous to something best to the community His services also mirrored in many scientific papers in seminars and his publications of articles in journals

- I hope the post graduate students as also the practitioners in homoeopathy may be satisfactorily benefited by the constant use of the book as ready reference. This type is very much necessary to practice Classical Homoeopathy as advised by Samuel Hahnemann in his Organon of Medicine.

- S.P.Dey, DMS., MBS.Hom.(Cal), DF.Hom(Lon)

- Dr. Ashish Datta's present work.....is a unique and exemplary attempt in the struggle to achieve uniformity in the teaching and practice of Homoeopathy and particularly the methods and mechanics of case taking

- Dr. Mahendra Singh
