

*Psorinum as an Intercurrent*

Dr K Jagadeesh

A female aged 24 years who was under Pulsatilla 200 for Dysmenorrhoea, had itching all over the body especially on covered parts. The complaints recurred every year during winter. She also had dandruff. She was prescribed Psorinum 200 as intercurrent. Now the lady is free from her complaints and inclusive of painful periods and she is better.

*Hair Fall*

A 30 years old married female consulted for heavy hair fall since 15 years. Eventhough there are many remedies in our material medica like Graph., Nitacid, Phos, Sulp, etc. a dose of Psorinum 1M was prescribed based on long duration of illness. We observed remarkable improvement in her complaints when she reported after few days.

*Intercurrent Remedy*

Dr.Smita M.Betgeri

I have given successfully Psorinum as an intercurrent remedy in many cases of cold, cough, allergic rhinitis, sinusitis, tonsillitis, upper respiratory tract infection. It prevents recurrence of the symptoms. Usually the potency I use is from 200 to 1M. I do not repeat the medicine frequently. Single dose is enough to restore the dyscrasia.

*Injury Remedy*

Psorinum is a master remedy in injury. "Pain is caused by a fall, a year ago" according to guiding symptoms. A severe injury to knee, no fracture but with complete inability to move. Fails in all kind of pain killer medicine including Arnica, Ruta, Symphytum. Psorinum Cm in repeated dose cures completely in two days. Injury to testis or ovary and its complications can be treated with Psorinum. Many cases of injury by fall from high are cured by it.
