Opium...
In dynamism

Dear Readers,

"Opium ... in dynamism" the theme received many submissions. Only few articles have been selected for publication to cover the remedy on all aspects. Clinical experiences on opium were also shared by many physicians. We thank all contributors for giving immense support

The utility column on "Designing a clinic" will be interesting for the interns and students. The column on Time line also gives the tremendous contribution by Hahnemann. The focus column on "Homoeopathy in Delhi" is a special feature gives various information to the world. The next issue will focus the southern directorates.

Article on " A case of Oligospermia " and visual corner on " A case of Atopic Dermatitis " are published on the clinical grounds are also interesting in learning the practical part of Homoeopathy .A readers has requested for theme issue on infertility, and the same will be titled very soon.

We request the physicians to submit their clinical cases with evidence based documents to prove that our system is a pool proof system. We are planning to introduce video file in internet edition very soon which could give a glimpse of the event. Special features on multimedia are also underway.

With regards
